Complete the attached Iowa Board of Pharmacy application for pharmacy support person registration. When completing this application, please be advised of the following:

- Effective July 1, 2021, prior to commencing employment in an Iowa pharmacy as a pharmacy support person, an individual shall obtain registration as a pharmacy support person.
- All sections of the application must be completed. Incomplete applications will delay the issuance of your registration. Unsigned applications will be returned.
- Failure to answer all questions completely and accurately, including omission or falsification of material facts, may be cause for denial of your application or disciplinary action. When in doubt, answer “yes” and provide an explanation.
- Registrations are issued administratively following review of a completed application and all required documentation, unless the application warrants referral to the Board, or unless a personal appearance is required.
- Applications expire 45 days from the date of receipt. You will be notified by email if additional information is required. If the application has not been completed within 45 days, a new application and fee will be required

Employment means that you have been hired by a pharmacy to perform the duties of a pharmacy support person, not necessarily that you have actually started working in the pharmacy. Please identify the pharmacy that has hired you and the anticipated start date to physically work in the pharmacy as a pharmacy support person. If you have already started working in the pharmacy as a pharmacy support person, you must indicate the exact date that you started working in the pharmacy as a pharmacy support person. If you have been working for the company in another capacity, or working in the pharmacy in another pharmacy position, but are just now to begin the duties of a pharmacy support person, indicate the anticipated start date you will begin or the actual start date you began to perform the duties of a pharmacy support person, not the initial date you were hired to work elsewhere with the company or to work in the pharmacy in another position.

Military veteran applicants are eligible for waiver of the initial application fee and one renewal fee if the applicant was honorably or generally discharged from federal active duty or national guard duty within five (5) years prior to application submission. **Applicants seeking waiver of the initial application fee or renewal fee must submit a copy of their Certificate of Release or Discharge from Active Duty (DD Form 214) or Verification of Military Experience and Training (VMET-DD Form 2586).**

Disclosure of Criminal History and Disciplinary Action

The Board considers any prior criminal history and disciplinary actions when issuing pharmacy support person registrations. As part of the application process, you will be asked questions about prior criminal history and disciplinary actions.

If you have any questions concerning these requirements, please notify the Board office. If any of these situations pertain to you, there may be delays at the time of registration. We suggest you contact the Board office for information as to what documentation may be necessary for registration. Contacting the Board office about any of these situations may avoid unnecessary delays at the time of registration.
